September 8, 2025

To the Citizens of Wharton County, Texas;

On September 8th, your Wharton County Commissioners Court approved our upcoming 2026 Annual Operating Budget with a lowered tax levy of \$0.34517 per \$100 of taxable value.

Current 2024 Tax Rate	-	\$.35239
2025 No New Tax Rate	-	\$.34517
Decrease in Tax Rate	(-)	\$.00722

In preparing the 2026 budget, your Commissioners Court remained cautious yet optimistic, anticipating improvements in the national economy despite current challenges like inflation, high interest rates, and supply chain issues. The Central Appraisal District certified Wharton County's 2025 Net Taxable Value at \$7,083,630,162 which is \$854,350,456 higher than last year's value of \$6,229,279,706. This significant increase in New Value can be directly attributed to recent construction of several large solar and wind farms across our county.

2025 Certified Appraisals	\$7,083,630,162
2024 Certified Appraisals	<u>\$6,229,279,706</u>
Increase in Appraisals	\$ 854,350,456

In theory, *as property valuations increase...tax rates should decrease*. If a governmental entity does not reduce its tax levy to the recommended No New Revenue Tax Rate, or stays at its current rate, then that entity is effectively raising your taxes. The median tax value of a homestead in Wharton County has increased to \$180,952. Our County's new 2025 No New Revenue Tax Levy of \$0.34517 lowers the taxes on that new median valued median home by \$13.07.

Our County's three major governmental funds (General, Road & Bridge, and FM&LR) have projected 2025 revenues of \$36,507,147 and standard operating expenditures totaling \$35,554,277. Below is a 15-year comparison of county operational spending:

	<u>Expenditures</u>	<u>Tax Rate</u>	<u>Owed Debt</u>
2012	\$20,092,730	\$.53022	\$2,915,000
2013	\$19,599,649	\$.50215	\$ 745,000
2014	\$20,144,918	\$.48806	\$ 0
2015	\$20,690,729	\$.45999	\$ 0
2016	\$21,734,692	\$.49000	\$ 0
2017	\$22,052,841	\$.49000	\$ 0
2018	\$24,721,360	\$.47500	\$ 0
2019	\$24,778,224	\$.47396	\$ 0
2020	\$25,781,846	\$.46240	\$ 0
2021	\$25,547,407	\$.45869	\$ 0
2022	\$26,140,534	\$.42479	\$ 0
2023	\$28,081,620	\$.39056	\$ 0
2024	\$30,162,673	\$.36418	\$ 0
2025	\$33,779,982	\$.35239	\$ 0
*2026	\$35,554,277	\$.34517	\$ 0

As a major regional employer, Wharton County remains committed to paying our hardworking employees fair and competitive salaries. Thanks to revenue primarily generated from new solar farms, your County leaders approved a 3% cost of living adjustment for all employees. To be clear...all 2026 employee salary and benefit increases are being funded without raising taxes on existing property.

Wharton County continues to experience significant economic growth in the form of new jobs and investments. Several local businesses are expanding, and new projects, including pipelines, a wind farm, and multiple solar developments, are bringing over \$1 billion in new investment to our county, with no tax abatements provided.

In accordance with Section 111.004 of the Texas Local Government Code, the tax rates for the 2026 budget are:

- The **Tax Rates** required to fund the 2026 Approved Budget are as follows:

General	\$ 0.22396
Special R&B	\$ 0.03885
Road & Bridge	\$ 0.04652
FM&LR	\$ 0.03584
Debt Service	<u>\$ 0.00000</u>
Total	\$ 0.34517

- Wharton County has **NO Outstanding Debt Obligations.**
- A summary of the **Estimated Fund Balance** for each major fund as of September 8, 2025 is reflected below. Details can be found on page 16.

General	\$6,418,862
Road & Bridge	\$1,980,961
FM&LR	\$ 742,623
Debt Service	\$ 0

- Funds received from all sources for the general fund during the preceding year is detailed on the revenue schedules on pages 26 - 28 and the special revenue fund schedules beginning on page 63.
- Funds available from all sources during the ensuing year are reflected on the above referenced pages.
- Estimated Revenues available for the Approved Budget are likewise detailed on the same page references.
- Appropriations for our 2026 general fund are detailed on pages 29 - 61 and appropriations for the special revenue funds begin on page 64.

This Budget includes a reduction to the County's three major fund balances of \$3.9 million through **Capital** and **One-Time Expenditures** detailed as follows:

- **General Fund:** six (6) Sheriff's Office patrol cars, four (4) Precinct Constable patrol cars, \$250,000 for murder trials, \$100,000 roofing improvements to Historical Courthouse, \$50,000 for weigh station improvements, HVAC units, law enforcement equipment, office computers, and a \$380,000 contingency for unexpected costs.
- **Road and Bridge Fund:** \$1 million specifically for additional road materials to seal-coat another 40 miles of roads, \$1 million for additional road department capital equipment, \$350,000 contingency for unforeseen bridge repairs, \$160,000 for a Track Hoe and Mack Truck w/ Roll-Off at the Solid Waste Station, and \$135,000 to refurbish the existing roofing and walls on the Precinct 2 Barn.
- **FM&LR Fund:** \$600,000 for drainage machinery.

Providing the best in community services, taking care of our hardworking employees, and keeping your taxes low and manageable remain top priorities at the County. Despite most local governments increasing taxes, your Commissioners Court has voted to lower our property tax levy for the seventeenth consecutive year and maintain our debt-free status for the thirteenth year.

Our County Auditor and County Judge's offices are very thankful and proud of the contributions made by the commissioners court, elected and appointed officials, each department head, and all of our hardworking county employees. Responsible fiscal management necessitates open discussions, freedom to express ideas, and a shared commitment to work together for the good of all taxpayers. It is imperative that we all continue to ask questions and share information about how and why local tax dollars are being spent. People and government working together is the best plan for effective and efficient County operations and lasting countywide prosperity.

The remaining pages provide a more detailed look into our overall budget development and the strategies we utilized. The following format remains consistent from year to year to assist the average reader. We hope that you find this information useful and that it will help to better illustrate the functions of Wharton County government.

Sincerely,

Phillip S. Spennrath
Wharton County Judge

BUDGET POLICY

Recognizing that the Wharton County Budget appropriates the funds for the operations of each department in the County according to the financial policy of the Commissioners Court and that the budget must be prepared and administered according to the laws of the State of Texas, and that defining and announcing that policy will inevitably lead to better, more realistic, budget requests; the Commissioners Court of Wharton County adopts this official budget policy in preparation of the 2026 Budget.

BUDGETED FUNDS

Wharton County adopts an annual operating budget of all fund types classified as governmental funds, excluding Capital Projects Fund and Theft by Check Fund. The budget for capital projects is established when funding is available and is on project length basis.

FUND BALANCE AND BUDGET RESERVE

Commissioners Court established *fund balance reserves* of \$6.3 million for General Fund and \$1,967,000 for Road and Bridge Fund, \$658,000 for Farm to Market Lateral Road Funds set separately. These amounts are representative of the cost of operations for a period of ninety days and epitomize sound financial policy.

Included in the general fund budget under Commissioners Court optional services is a contingency of \$380,000 reserved specifically for *unforeseen non-emergency expenditures*. A portion is reserved for potential retirees not known during the budgeting process to pay a set amount of their health insurance premium until they are eligible for Medicare and an additional \$250,000 has been set aside for potential capital murder trials. Also included in the road and bridge budget under Precincts, Road Paving optional services is a contingency of \$350,000 for bridge construction projects. A request from a department, detailing the need for contingency, must be presented to the County Judge who is the Budget Officer and then approved by Commissioners Court.

REVENUES

Property tax levels fluctuate from year to year. The Commissioners Court is committed to operate within the parameters of funds available with established reserves intact. Revenue from grants will be used in accordance with specific grant guidelines. The termination of grant revenue may terminate the program. The County Auditor may certify revenue received during the budget year and Commissioners Court shall make a special budget for the limited purpose of spending the revenue for any of its intended purposes.

APPROPRIATIONS

Control of the budget is set by the appropriations approved by the adoption of the budget. Unexpended budget balances become part of fund balance at year end. Levels of control are established at function (Public Safety), fund (General), department (Sheriff), classification (Supplies) and object (Food) code. The official/department head assigned with a particular

budget is responsible for budget accountability and is personally liable for the overspending of his/her appropriated budget.

Department heads are restricted to appropriations approved for the department(s) with which they are charged. Salaries and benefits are calculated by number of positions and pay grades. Appropriations for temporary employees are budgeted at a lump sum dollar amount. Wage rates are to follow the personnel policy matching qualifications of the individual with requirements of the position. **All appropriations budgeted for training and travel shall be limited to expenditures for county employees and in state travel unless otherwise approved by the Commissioners Court.**

BUDGETING PROCESS

It is the duty and responsibility of each elected official and department head to operate their department efficiently and frugally. With the economic hardships currently prevailing in the state and nation, it is especially important to eliminate all unnecessary expenditures. Each department should make every effort to reduce expenditures or hold the line on expenditures by increasing efficiency without reducing the required level of services. All programs should be examined annually to ensure they are still viable and provide the best method of serving the identified duties of the department.

The budget process begins with a meeting, called by the County Judge, who is the Budget Officer, where Commissioners Court and all department heads prioritize objectives. General expectations, new procedures, and a budget schedule are presented. By mid-June the Budget Officer, assisted by the County Auditor, distributes the budget request forms which contain the actual expenditures for the previous year, the adopted budget for the current year and a place for requests for the proposed year. Salaries and benefits are compiled by the County Auditor. Request forms are returned to the Budget Officer by the scheduled date to be compiled. Officials and Department heads are given the opportunity to meet with County Judge and County Auditor to discuss their proposed budgets.

BUDGET AMENDMENTS

Amendments to the budget (increases in the total amount of the budget) will only occur in case of a *bona fide emergency*. An emergency is defined as a circumstance that will adversely impact the health or safety of citizens of the County, or severely impair the operation of the County, and that could not reasonably have been foreseen during the preparation of the budget.

Amendments may also be made under the provisions of Local Government Code §111.0106 when the County receives a public or private grant that will create revenue available during the budget year, and that was not known during the budget process if the County Auditor certifies the availability of the funds for disbursement. Upon certification, the Commissioners Court shall make a special budget for the expenditure of the funds for the purposes of the grant.

Amendments may also be made under the provisions of Local Government Code §111.0107 when the County enters into an intergovernmental contract that will create revenue available during the budget year, and that was not known during the budget process if the County Auditor certifies the availability of the funds for disbursement. Upon certification, the Commissioners

Court shall make a special budget for the expenditure of the funds for the purposes of the contract.

Amendments may also be made under the provisions of Local Government Code §111.0108 when the County receives revenue from a new source not anticipated before the adoption of the budget and not included in the budget, if the County Auditor certifies the availability of the funds for disbursement. Upon certification, the Commissioners Court may adopt a special budget for the limited purpose of spending the revenue for general purposes or for any of its intended purposes.

Budget amendments require Commissioners Court approval. All requests shall be delivered to the County Auditor's Office to be placed on the Court's agenda.

In the event that revenues fall considerably below expectations, the Commissioners Court has the authority to reduce a portion of a department's appropriations accordingly.

BUDGET ADJUSTMENTS

Budget adjustments are the reclassification of funds between accounts. There are six different classifications used in the budget: salaries, benefits, supplies, services and charges, capital outlay and debt.

Upon an employee leaving the county, both pay grade and pay step value are to be preserved in that department's budget. The department head has the authority to use pay grades and pay steps value at their discretion. Salaries and benefit funds cannot be transferred to other budgeted line items. Outstanding comp or vacation pay owed to any exiting employee must be funded from the applicable department's current year budget.

Insurance for buildings that house several departments are budgeted in the Courthouse and Associated Buildings department and charges for insurance are allocated to each department at year end with budget transfers made accordingly.

Capital outlay is to only be used for items specified during the budget process, unless special circumstances necessitate the purchase of a different item. Changes in capital must have approval of Commissioners Court prior to the purchase being made.

Budget adjustments may be requested by notifying the County Auditor's office and are to be made before accounts are deficit. All budget adjustments must be approved by Commissioners Court.

TRANSFER OF FUNDS

All inter-fund transfers shall be approved by Commissioners Court.

CAPITALIZATION POLICY

Purchases of equipment over \$2,000 are capitalized and are required to have a purchase order issued. The purchase order must be signed by the department head, the County Judge and the County Auditor **prior** to the item being ordered.

CAPITAL REPLACEMENT FUND

This fund is used to account for major capital needs of the County that are not funded with long-term debt. The use of these funds includes the acquisition and construction of major capital expenditures over \$2,000 and includes road and bridge and drainage improvement projects, facility repairs and upgrades, new or replacement facilities, major equipment purchase and technological projects. Excess (unspent) funds in capital outlay accounts in each department, will be transferred to this fund at year end. The primary goal is to continue to increase this fund on an annual basis to allow for major projects and purchases to be absorbed within the budget process in lieu of financing with long term debt. Sales at auction or surplus sales will be coded back to the individual department's capital outlay account and unspent funds in excess of \$500 will be transferred to the capital replacement fund at year end.
